Industrial Strength Eco-Friendly Cleaners

MULTI-SURFACE ALL PURPOSE CLEANER

Cut through and clean away grease, dirt, and grime with ease. Non-toxic and non-corrosive, the cleaner is safe for most wood, glass, tile, stone, upholstery, and much more.

INDUSTRIAL - STRENGTH CLEANER AND DEGREASER

Powerful industrial strength all-purpose cleaner & degreaser. Used for removing heavy build-up of dirt, grease, stains, oils from equipment, engines, vehicles, machinery, sinks, countertops, concrete floors, decks and more!

GLASS CLEANER

Professional Grade – Formulated to meet most requirements of business, commercial, and industrial applications. Designed to safely and powerfully remove dirt, grease, and grime from windows, mirrors, and other glossy surfaces, inside and outside, without streaking.

ADHESIVE REMOVER

Citrus scented cleaner is designed to safely remove adhesives and other tough substances across all industries and most surfaces, including most plastic surfaces.

Non - Slip Industrial Tapes

4TH GEN NON-SLIP TAPES

- Commercial grade
- Comes in a large choice of tape widths and tread sizes.
- Non- Slip
- OSHA Safety Rated
- Can be used in a variety of applications
- Suitable for indoor and outdoor use
- Extremely Durable

NON - SLIP SOLUTIONS

Our commercial grade non-slip 80 grit tape is designed for general-purpose applications.

This product has been engineered to exceed OSHA standards by providing a durable, consistent, non-slip surface. The silicon carbide grit ensures durability in both indoor and outdoor applications.

The adhesive system aggressively bonds to substrates and is very durable. Our 4th Gen series tapes and treads help prevent slips on floors, stairs, ramps, and sports equipment.

INDUSTRIES SERVED:

- Industrial Safety
- Transportation
- Defense
- Hospitality
- Graphics
- Marine
- RV
- Commercial Construction
- Consumer Goods
- & More
