

YOUR **ONE-STOP-SHOP** FOR BUSINESS SOLUTIONS.

YOUR SOURCE FOR SOLUTIONS

Let us be your source for solutions for every aspect of your business.

OVER 60 YEARS IN BUSINESS

We've been family-owned Since 1960 and have demonstrated commitment to serving a wide variety of manufacturers with excellence and integrity.

WE KNOW HARDWARE

With over 400 years of combined access hardware experience and knowledge, plus thousands of in-stock parts and products, we have the solutions for your business.

ABLE II™ VENDOR MANAGED INVENTORY

The heart of the ABLE II™ VMI service is a user-friendly software that automates virtually every step, from purchasing, stocking, and managing your inventories through Austin Hardware®.

Our VMI services are highly customizable to meet your individual business needs. We provide VMI services to large and small manufacturers in many different industries.

AUSTIN GUARANTEED ENGINEERED SOLUTIONS™

Our goal is to work alongside you, securing solutions for your business and the industries you serve, through our Austin Guaranteed Engineered Solutions™.

Our team can help improve design, functionality, and user experience while driving cost reduction through design intent, assembly time, manufacturing capabilities, and sourcing.

“WE BELIEVE THAT AS A FAMILY OWNED AND OPERATED BUSINESS WE HAVE AN OPPORTUNITY TO INVEST IN OUR PEOPLE AND OUR CUSTOMERS FOR THE LONG TERM.”
