

**LIFT-A-SYST®**  
Counterbalance Systems

# LIFT-A-SYST® Systems

## Features and Benefits

Southco's **LIFT-A-SYST®** series combines assisted lifting force and neutral balance through the full range of motion for opening and closing. CounterBalance systems are engineered specifically for controlling the exact weight of heavy flip-up counters and covers, allowing them to be lifted and positioned with ease.

## 20 + 30 Series

The **LIFT-A-SYST®** 20 and 30 series counterbalance systems accommodate the lifting and balancing of light to heavy duty pass-through countertops.

- Remains flush with surrounding countertop when closed
- Opens to 90 degree angle in the upright position
- Accommodates most countertop designs

### 20 Series

For light to medium weight flip-up counters

### 30 Series

For medium to heavy weight flip-up counters

# LIFT-A-SYST®

## 60 Series

The **LIFT-A-SYST®** 60 series meets **ADA Accessibility Guidelines** by enabling service stations to be lowered or raised to accommodate the needs of all customers.

### 60 Series

- Moves countertops between two positions
- Controls movement of countertop height, from 42" (100cm) to 32" (80cm)
- Smooth motion and secure hold in high and low positions
