Austin Engineered DOCK BUMPER

Austin Guaranteed Engineered Solutions™ is proud to introduce the new **Austin Engineered Dock Bumper**. The newest innovation from Austin features a unique design that helps reduce the overall weight of the bumper while still providing strength and protection from impact force.

Features:

- » Improved, Lightweight Design
- » Drop-In Replacement for B-5500 Bumper
- » Easy Installation
- » Reduced Cost

PART # B-3305-A01

SAFE ASSIST

Use the Austin Engineered Dock Bumper on vehicles with Safe Assist. This lightweight bumper option lowers the weight of the door farthest away from where the Safe Assist is installed to lower the calculated foot pounds of torque required.
